

The Smooth Haired

Dachshund Club

YEARLY UPDATE 2017

Compiled by Margaret Turner and Marilyn Norton

Welcome to the new on-line performance of our Update. The AGM before the Show had its usual well filled audience of over 30. Not much profit was made this time due to various reasons and one of the expense cuts involved the Update which will save money on printing and is also easier to present on-line especially regarding photographs.

The Club Shows

WE REMEMBER

Percy and Betty together at one of our shows

The Club sadly lost its Patron Percy Norton in July and President Betty Munt in December very long serving and valuable supporters of the club whose smiling faces and bohomie will be greatly missed at the Shows.

Important Dates to Note for 2018

Due to the Houndshow bringing their show date forward to the day before ours it was not possible to hold our Championship Show along with the Longhaired Club the day after as the KC building could not accommodate our new dates.

<i>Top Stud Dog</i>	10 points for each CC winner, 5 points for each RCC winner
<i>Top Brood Bitch</i>	
<i>Top Breeder</i>	Progeny are only counted once – a CC winner who also wins a RCC only counts as a CC winner. In the event of a tie, the number of winning progeny is the first deciding factor, followed by the number of points won by those progeny in total.
